

VIVA VOCE

About Us

"We the People." Can you hear the voices of our founding fathers? $E=MC^2$. Can you hear Albert Einstein's lasting voice? Listen, closer, quietly, can you hear them? Can you hear "I have a Dream" as it rings through the streets of Washington D.C.? Look, carefully, can you see our soldiers raising the American flag over Iwo Jima? Voices live through the tests of time.

Viva Voce; The living voice. Itineris Early College High School is taking on our journey and making our voices live forever. We will rise with Einstein, Dr. Martin Luther King Jr., Obama. Our music will echo through the valleys of time. Our artwork will last forever. Viva Voce, the living voice. Now it's our turn. Let our voices echo through the depths of time. Let our voices be remembered when all others are lost. Let our voices shine.
