

ITINERIS

Early College High School

Student Enrollment

LOTTERY PROCEDURES

- Each completed application is assigned a number, beginning with (1), based on the date and time that the application process was completed.
- Numbers will be assigned by the school personnel responsible for the determination of the application completeness.
- The last number will be assigned no later than the date and time established by the school as the deadline for application submissions.
- Traditionally this date and time has been the last Friday in February at 4:00PM.
- The Lottery process must occur within five working days of the application deadline.
- The Lottery process will be directed by the Itineris Board of Trustees and their designee(s).
- The Lottery process will be a random selection of numbers that correspond to the numbers assigned to each completed application.
- The Lottery process will select a predetermined number of applications that is set by the Itineris Board of Trustees based on the schools enrollment capacity for the upcoming school year.
- All applicants will be notified by mail as to the results of the Lottery within five working days of the Lottery selection.
- Applicants will be informed by ***“Congratulations you have been selected...”***
“Unfortunately you were not selected...”
- All applicants that are not selected will become the first waiting list for any openings that result from selected applicants changing their minds and/or not completing the testing or application process for Salt Lake Community College by the deadline stated in their acceptance letter.
- No new applications can be accepted until a second Lottery selection process has been completed using applicants from the first waiting list.
